

**Vodafone**

# OneNumber

Your number, your choice

Vodafone OneNumber allows you to use your mobile number and plan allowance across multiple devices - be it a smart watch, a smart speaker, a tablet or a second handset - even when your main phone is not around.

# OneNumber subscription

- **Eligibility: OneNumber is only available to Vodafone customers**

- (if a customer is not on the Vodafone network with their mobile phone they will only be able to use their Bluetooth connectivity)

- **Cost**

- DE: one time registration fee of €40,- followed by monthly €5,-/ €10,-
- UK: monthly €7,-

- **Subscribe through on device activation**
